

# Privacy Policy – FinBot

**Effective Date:** 12-Sep-2024

**Last Updated:** 15-Jun-2025

## 1. What We Collect

When you or your server members use FinBot's extended features, we may collect the following data:

- **Discord User ID:** Used to log and attribute tribute actions.
  - **Twitter API Keys:** Consumer Key, Consumer Secret, Access Token, and Access Token Secret — used to post tributes on your behalf.
  - **Telegram Bot Token:** To enable posting tribute messages to your Telegram bot.
  - **Twitter Handle:** So we can tag or mention users in tribute posts.
  - **Optional Nickname:** If set, this is used in tribute shoutouts instead of your Discord name.
  - **Custom Graphics:** If uploaded, your image is used in the tweet/post visual.
- 

## 2. How We Use Your Data

FinBot uses your data only for the following purposes:

- Logging symbolic tribute interactions between users within the server,
  - Posting customized tribute shoutouts on Twitter and/or Telegram,
  - Generating server-specific leaderboards and visualizations,
  - Allowing optional personalization via nickname and graphics.
-

### 3. Data Sharing

We do **not** sell or share your data with third parties. FinBot only uses your data to:

- Operate the bot,
  - Interface with APIs (e.g. Twitter or Telegram),
  - Improve or fix internal features.
- 

### 4. Data Storage & Security

- All credentials and IDs are stored securely using industry best practices.
  - We do **not** store access to any direct messages, private conversations, or server content outside the tribute system.
  - If you remove the bot or revoke permissions, your data is automatically disabled from further use.
- 

### 5. Your Rights

You may:

- Request to view or delete any data FinBot stores on your behalf,
  - Remove the bot at any time to stop future data collection,
  - Contact us to fully purge your data from our systems.
- 

### 6. Changes to This Policy

We may update this Privacy Policy if required. You will be notified of material changes via the official FinBot support server or GitHub/readme update. Continued use of FinBot after a change implies acceptance.
